LONDON EMERGENCIES TRUST

CHAIR'S REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

In 2025, the London Emergencies Trust (LET) has not had to activate to respond to any incidents and has been able to remain a largely dormant organisation once again. However, the charity remains in a state of readiness to respond as it has in the past and has taken steps to ensure it remains a resilient organisation, prepared to act swiftly. The importance of being ready was demonstrated following the stabbing of two men in a terrorist attack in Golders Green on 29 April 2026.

Readiness means keeping in regular touch with the relevant London local authorities, funders and community organisations central to the successful delivery of the charity's work in the past and will be in the event of a future activation. Our continuing relationship with the City Bridge Foundation is at the heart of this, helping LET meet its operational costs for five years from 2024. The LET Trustees remain very grateful to City Bridge Foundation for both its previous and continuing steadfast support for LET as part of London's wider resilience arrangements in the face of future emergencies. The Trustees continue to appreciate the support given to the charity by London Funders for day-to-day operations and strategic relationships across the capital.

We also continued our work with Wrigley's Solicitors supporting the trusts set up after the Grenfell Tower fire in 2017 which benefit young people as next of kin to some of those who died in the fire.

Also, in that context, LET has continued its other core relationship with the National Emergencies Trust (NET). A formal Memorandum of Understanding (MoU) was agreed in 2022 between the two organisations to manage relationships and future activities where the two will need to work in partnership. Because I am also a Trustee of NET with fellow LET Trustee Thelma Stober, she and I stand aside from any formal discussions with NET which are dealt with by other Trustees and London Funders in its capacity as Company Secretary.

As this report is being written in summer 2026, we also look back to last year's 20th anniversary of the London Bombings which took place on 7 July 2005. LET is the successor charity to the London Bombings Relief Charitable Fund set up in response to those terror attacks. On behalf of LET, I was pleased to support Thelma Stober and other survivors of those attacks and the families of the 52 people killed in working with the Mayor of London and officials at the Greater London Authority to organise the moving memorial service in St Paul's Cathedral and the commemorative event in Hyde Park on 7 July 2025 attended by their Royal Highnesses the Duke and Duchess of Edinburgh at the Cathedral and His Royal Highness the Prince of Wales who joined the event in Hyde Park

I was also privileged to be invited by the Home Office to host the inaugural National Day for Victims and Survivors of Terrorism in the grounds of Lancaster House on 21 August 2026. It was a deeply moving ceremony seeing many survivors of 7/7 as well as some of those caught up in the 2017 attacks on Westminster Bridge and outside the gates of Parliament, at London Bridge and Borough Market, Finsbury Park Mosque and on the District Line train at Parsons Green.

We remain vigilant and stand ready to assist if there are further terror attacks or major civil incidents in London where we would be directly involved or elsewhere in the UK where we will continue to offer our knowledge and experience to support other charities and local organisations. With NET colleagues, we advised those distributing charitable gifts after the attack at Heaton Park synagogue in Manchester in October 2025

My thanks, as ever, go to my fellow Trustees whose collective wise counsel and active involvement is so greatly appreciated, to James Banks and the team at London Funders, Alan Ali and Stewart Goshawk for their continuing administrative and professional support to LET on our communications and finances. It really is a team effort.

Gerald Oppenheim,
Chair of the LET Trustees,

23rd September 2026

LONDON EMERGENCIES TRUST

TRUSTEES REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

1 Structure, governance, and management

- 1.1 The Trustees of the London Emergencies Trust (LET, the ‘Trust’), who also act as Directors of the Company, present their report and accounts for the year ending 31st December 2025. The Trustees have adopted the provisions of the new Statement of Recommended Practice (SORP) (Second Edition - effective 1 January 2019).
- 1.2 LET is a self-governing charitable company. LET is governed by its Memorandum & Articles of Association – being incorporated as a company limited by guarantee with charitable objects on 23rd December 2015.
- 1.3 New Trustees are appointed by a decision of the board, as and when required, based upon the skills and experience needed. Any new Trustee is offered a full induction to the Trust’s business by the Chair, with the opportunity to attend any training required to fill gaps in knowledge.
- 1.4 Trustees hold office for a period of three years, which can be renewed, unless subject to early termination under Article 5.7 of the Trust’s Articles of Association.
- 1.5 The objects of the charity are:
 1. to relieve sickness or disability, whether physical or mental, of victims of Emergency Incidents and their dependants;
 2. to relieve financial need among the victims of Emergency Incidents, including their families and dependants; and
 3. to support such other exclusively charitable purposes as the Trustees shall consider appropriate.
- 1.6 Trustees meet regularly throughout the year, as often as weekly at times of emergency incidents, but reducing to quarterly at other times. When the Trust is active, a subcommittee of the board meets on an ad hoc basis to make grant decisions on complex grant applications, acting with authority delegated to it by the full board.

2. Public benefit

- 2.1 The Trustees are aware of the guidance on public benefit provided by the Charity Commission and confirm that they have complied with the duty in section 17 of the Charities Act 2011. The board considers that its activities, in the provision of financial support through grants for the prevention or relief of poverty, the advancement of health or the saving of lives, and the relief of those in need because of youth, age, ill health, disability, financial hardship or other disadvantage, as defined within the parameters defined by the Trust’s Memorandum & Articles of Association, are wholly in keeping with these guidelines.

3 Review of activities

- 3.1 London Emergencies Trust (LET) is a registered charity and company limited by guarantee without a share capital, which began operations after the terrorist attack on Westminster Bridge in March 2017.
- 3.2 Many of its Trustees, staff and volunteers were involved in the work of the London Bombings Relief Charitable Fund (LBRCF) – a charity set up following the 7/7 attacks in 2005, which passed public donations to the bereaved and injured as charitable gifts.

3 Review of activities (continued)

- 3.3 In late 2015, in the wake of the Bataclan massacre and other terror attacks in Paris that autumn, a number of the former LBRCF Trustees set up LET as part of the preparedness for terrorist-related or other incidents which might require charitable gifts to be made to those affected as next-of-kin or injured and requiring hospital treatment.
- 3.4 London Funders (the membership network for funders and investors in London's civil society) acts as Company Secretary to LET and supports the charity to ensure it has the appropriate governance, systems and processes in place to respond to an emergency, whether terrorist attacks or natural disaster on a widespread basis.
- 3.5 The area of benefit for the Trust includes the geographic area of Greater London but with flexibility so that it is possible to respond to an incident affecting London and Londoners (as well as people from elsewhere that are not in the administrative area of the 32 London Boroughs and the City of London.) In this way, LET has flexibility of action so that it can respond outside its core area of benefit, for example by collecting funds and distributing them directly to those affected or through other organisations to achieve its objects. The decision as to whether to become involved following an incident is made by the LET Trustees in conjunction with the National Emergencies Trust under the Memorandum of Understanding agreed between the two organisations in 2022 also in consultation with the British Red Cross as LET's fundraising partner since 2005.

4. Activities in 2025

- 4.1 Since March 2017, LET has worked with the British Red Cross (BRC) and other funders/fundraisers to distribute charitable donations made by the public to the bereaved and those injured and hospitalised who were caught up in the terror attacks in London between 2017 and 2021 at Westminster Bridge, London Bridge/Borough Market, Finsbury Park, Parsons Green, and Westminster/Millbank, Fishmongers' Hall, on Streatham High Road and in Southend-on-Sea.
- 4.2 LET was also the main distributor of public donations to the *bereaved and injured* of the Grenfell Tower fire in June 2017, working alongside those charities distributing funds to other survivors.
- 4.3 The trustees are pleased to report that during 2025, there were no terror-related incidents requiring their involvement and no grants were awarded. The Trust remained operationally dormant throughout the year but engaged in planning and preparation in the event that the charity has to re-activate again. However, at the time of writing, we note that LET has activated to make awards to two individuals injured in the Golders Green attack at the end of April 2026, which was declared to be a terrorist incident.
- 4.4 The Trust's distribution of funds held for the victims of the Grenfell Tower fire was completed in 2020, with the administration of four trusts established for minor-age beneficiaries now in the hands of Wrigleys LLP. During the year, the LET trustees continued to receive reports from Wrigleys, assuring them of the good management of the funds. One of these trusts has now been paid out, with the beneficiary having reached the age of majority.
- 4.5 During the year, LET employed no staff but relied on the volunteer input of several key individuals, to whom the Trustees are very grateful for their continued assistance; together with the retained services of London Funders for administration / company secretarial support, Stewart Goshawk for support on finance and payments and Alan Ali for his public relations expertise.

LONDON EMERGENCIES TRUST

TRUSTEES REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

4. Activities in 2025 (continued)

- 4.7 Even in times of operational dormancy, the organisation incurs a modest level of annual expenditure, to maintain itself in a position to re-activate its activities should the need arise (and to comply with legal requirements). To help meet these costs, the trustees are very grateful for the award of a grant of £64,040 over five years from the City Bridge Foundation starting in 2024. Discussions will take place with other potential funders about the potential for grant awards to cover LET's basic operational costs whilst dormant as well as additional support required in the event of an activation.
- 4.8 The Trust has always been keen to ensure that its experience and expertise is available to others facing similar situations. In past years for example, we liaised with colleagues at the We Love Manchester Emergency Fund, established following the Manchester Arena attack in 2017, to whom we gave initial advice and support in the days following that event in May 2017. (We note the very moving and lovingly-maintained memorial still in place on the concourse at Manchester Victoria station, just a short walk from the Arena itself). In 2019, we were in contact with those co-ordinating the charitable response to the terror attack in Christchurch, New Zealand, whilst in 2020, we offered support to local fundraising efforts to support the victims of the Reading park attack. More recently, we were in touch with the authorities in Valencia, Spain following the apartment block fire there in 2023, an approach warmly greeted by the Spanish Ambassador to the United Kingdom. As referred to elsewhere in this report, we remain ready to offer support elsewhere as and when needed.
- 4.9 Currently we also continue to support the work of the National Emergencies Trust. In particular, in 2024 and 2025, we worked with the NET to support local responses to the tragic events in Southport on 29 July 2024 as well as the other incidents in Bicester, Liverpool and Somerset in 2025. This helps spread the learning LET has gained since 2005 to support local resilience and responses to emergencies.

5. LET review – learning from experience

- 5.1 Back in 2018, Trustees commissioned Professor Diana Leat to undertake a review of LET's work (as she had done previously for LBRCF) and to make recommendations for any future activities in respect of UK disaster funds so that learning is available to inform future policies and actions. LET Trustees and staff are grateful to everyone who gave time to contribute their thoughts to the review, published in November 2018, a copy of which can be downloaded here: <https://londonemergenciestrust.org.uk/publications-0>
- 5.2 The recommendations in the report have been widely shared and remain relevant for future planning as well as responses to activate. During 2024 the Trustees to review the recommendations made by Professor Leat to assess their continuing relevance to the charity's policies, processes and readiness to respond to future events requiring an activation in London.

6. The National Emergencies Trust

- 6.1 The work of LET and the We Love Manchester Emergency Fund (WLMEF) brought awareness to a wide audience about the importance of securing a sound and permanent knowledge base for the distribution of any future emergency funds, together with the need for effective co-ordination of separate distributions that may be differentiated by either time or place.
- 6.2 A wide-ranging review initiated by the Charity Commission for England and Wales involving many charities involved in the 2017 incidents (including LET, WLMEF and BRC) concluded that there was a need to establish a new, independent charitable body, the "National Emergencies Trust" (NET). This would act as the lead body for the initiation of a disaster fund following an incident, fundraising itself, or liaising with other charities fundraising and involved in humanitarian and emergency response; commissioning one or more local distributors wherever the event took place; and providing a central point of contact. It would also provide a mechanism for ensuring the involvement of the voluntary, community and faith sectors in the planning of disaster response.

LONDON EMERGENCIES TRUST

TRUSTEES REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

6.3 NET was established as a charity registered in England and Wales in April 2019 and was launched in November 2019. The Chair of LET and one other LET Trustee (Thelma Stober) are also Trustees of NET and their interests in both charities have been declared to ensure that any potential conflicts of interest are managed appropriately. As is widely known, NET launched its first national campaign to raise funds for the response to the 2020 coronavirus pandemic across the UK. Funds were distributed through UK Community Foundation network and partnerships with major charities with a UK-wide reach to reach local communities and individuals in need.

6.4 The LET Trustees and staff contributed to the establishment of NET, sharing their knowledge and expertise. A Memorandum of Understanding was agreed in 2022 to enshrine the partnership between LET and NET, so that LET will act in future as a London distribution agent working with individuals (alongside the London Community Foundation for charities and community organisations and London Funders), if so commissioned as well as to respond itself to future incidents.

7. Approach to fund distribution

7.1 LET's overall approach to distribution is informed by the work of the LBRCF, but it retains flexibility to allow it to respond to changing circumstances. Trustees exercise their discretion to vary approaches in the interests of fairness, and each individual funding application is considered in its own right, through a casework approach.

7.2 LET is given funds by organisations which have either raised money through public appeals or wish to contribute to disaster relief by way of a charitable donation or gift. The Trust works with donors to agree who should benefit from funds but mainly focuses on bereavement and injury leading to hospitalisation – since this is where our specialism lies. The charity works closely with the police and key workers who are the main contact point with families and assist us in building up reliable family trees to make sure distribution is evidence-based and made to the appropriate people. LET strives to ensure that there is balance in its grant funding between those bereaved and hospitalised.

7.3 In cases of bereavement, the LET Trustees decided that they wished to be guided in the first instance by English Law intestacy rules (The Intestacy Act 1925) to identify who should receive funds. This is generally a surviving spouse, children, sibling(s) or parents. Trustees will exercise their discretion to depart from these otherwise strict rules if there are special circumstances and where an alternative approach is likely to produce a more equitable distribution of grant funding. In some cases, families themselves request that LET pays out funds in another way and usually LET has been happy to do that if confident of wide family agreement.

7.4 Any relief fund distributing charitable gifts can never be sure, at the outset, exactly how much money it will have available. LET Trustees have exercised great care not to over-commit the funds they have available at any given time and have acted prudently in accordance with the demands of charity law. As a consequence, it has never been possible for the LET to know or to communicate to beneficiaries on details about the final amount of money they should *expect* to receive. In some cases, it can take time to establish the number of people injured or killed. In some cases, it can take many months before some potential beneficiaries feel in a position to come forward. It is important to put the needs of individuals at the heart of LET's approach to distribution.

8. Level of awards

8.1 Full details of the levels of past awards made by LET to the bereaved and survivors of the various incidents can be found on our web site www.londonemergenciestrust.org.uk. However, information about individual grants is strictly confidential.

LONDON EMERGENCIES TRUST

TRUSTEES REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

9. Trustees

9.1 The Trustees who served during the year were as follows:

Gerald Oppenheim OBE (Chair)
Robin Allen KC
Carole Souter CBE
Thelma Stober
Caroline Forster
Tim Wilson
Rita Chadha

9. There were also observers to the board attending if required (although that was not necessary during 2025):

Paul Amadi – British Red Cross
James Maloney – Farrer and Co. LLP

10. Staff / volunteer list

During 2025, LET had no permanent staff presence, but is grateful to the following for their continued input:

Stewart Goshawk
Alan Ali
James Banks and colleagues at London Funders

11. Acknowledgements

Since LET began operating in 2017, the organisation has relied heavily on the kindness, goodwill and generosity of many organisations and individuals. We remain very grateful to everyone for their past and continued support. Contributing funders and donors were thanked individually at the appropriate time. A full list of acknowledgements was published in the 2019 annual report.

12. Financial review

12.1 Following conversations in prior years with LET's principal funder, the City Bridge Foundation, and at their request, all income and expenditure relating to its grant is shown as restricted.

12.2 Existing as an operationally dormant charity during 2025, the London Emergencies Trust received only a very limited level of income during the year. The total received during the year was £14,674 (2024: £14,500) of which £12,424 was restricted income used to cover the charity's operational costs and £2,250 *pro bono* donations. There was no grant income or expenditure during the year.

12.3 Total expenditure for the year was £12,597 (2024: £12,376). £10,347 spent on running costs and *pro bono* costs of £2,250.

12.4 LET has employed no staff directly in recent years. The staff team, employed by London Funders and seconded to LET, to deal with payments connected to the original wave of terror attacks and the Grenfell Tower fire, was disbanded by September 2018. Activities during 2024 were undertaken either by London Funders own staff (on a re-imbursement basis) or by volunteers.

LONDON EMERGENCIES TRUST

TRUSTEES REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

13. Risk management – principal risks and uncertainties

- 13.1 Prior to LET operations commencing in March 2017, Trustees agreed a ‘start up’ risk register that identified principal risks and steps to mitigate those risks. Since then, the register has evolved in line with the rapid growth in activities across several emergencies. Risks and their mitigation are regularly discussed regularly at board meetings, and Trustees are satisfied that all the major risks to the work and reputation of the organisation have been identified and appropriate measures put in place to ameliorate these risks.
- 13.2 The main risks identified relate to: governance; operations; financial management; external events; compliance with law and regulations.

14. Reserves policy

- 14.1 LET, like its predecessor the London Bombings Relief Charitable Fund (LBRCF) in 2005, was set up with the express intention that it be a time-limited response to the terror incidents on the streets of London (and subsequently also the Grenfell Tower fire). LBRCF wound up its activities approximately 18 months after beginning its work, having distributed £12m of donations to those bereaved and injured by the 7/7 bombings.
- 14.2 LET’s core work took a similar time to execute, extended to respond to the incidents in 2019, 2020 and 2021. As a result, Trustees have not prioritised the build-up of reserves beyond those sums necessary to fulfil on-going commercial, legal and compliance obligations. In addition, it is the Trustees’ intention to ensure that the charity – when in an ‘operationally dormant’ state, has sufficient funds in its bank account to allow it to resume work quickly, should it be called to do so and to meet the modest ongoing administrative costs of the operationally dormant charity. If, at some future point, Trustees decide that LET is to continue to be permanently active, a reserves policy will be put in place commensurate with LET’s longer-term existence and activities. Closing reserves at 31 December 2025 were £12,597.

15 Future plans

- 15.1 During 2025, LET existed in an operationally dormant state, in the knowledge that it has all the systems, processes and funding in place to be re-activated in the event of a future serious incident. During 2025, Trustees maintained a review of all operational systems and procedures, to ensure these were still relevant and up to date, should LET be called on to re-activate. Where appropriate, former staff advisors and Trustees will continue to contribute to the National Emergencies Trust, the various Humanitarian Assistance Groups which LET is linked into and work closely with BRC and Mayor’s Office in identifying systemic improvements in disaster relief response.
- 15.2 More generally, Trustees are keen to ensure that in a time of continued heightened security concerns, both nationally and internationally, the skills, experience, and relationship capital LET has developed since its inception (and before as LBRCF) are protected and available promptly should the need arise in future.

16 Going concern

- 16.1 The trustees are satisfied that the charity remains a going concern. The receipt of annual grant income from the City Bridge Foundation is sufficient to meet the organisation’s modest operational costs whilst it remains in its current operationally dormant state. Should the Trust be required to re-activate at scale in response to an emergency, additional funding would be sought to cover increased costs.

LONDON EMERGENCIES TRUST

TRUSTEES REPORT

FOR THE YEAR ENDED 31 DECEMBER 2025

17 Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees Report and the financial statements. The Trustees have chosen to prepare accounts for the charity in accordance with United Kingdom Generally Accepted Accounting Practice (UK GAAP). Company law requires the Trustees to prepare such financial statements each financial year which give a true and fair state of affairs of the charity and of the result for that period and comply with UK GAAP and the Companies Act 2006. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently
- Observe the methods and principles of the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity, for safeguarding the assets, for taking reasonable steps for the prevention and detection of fraud and other irregularities and for the preparation of a Trustees Report which comply with the requirements of the Companies Act 2006.

In preparing the above report, the Trustees have taken advantage of the small companies' exemptions available under the Companies Act 2006.

Signed on behalf of the Board of Trustees / directors of the London Emergencies Trust

.....
Gerald Oppenheim
Director and Chair of the Board

23rd September 2026

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF THE LONDON EMERGENCIES TRUST

I report to the Trustees on my examination of the accounts of the London Emergencies Trust for the year ended 31 December 2025 which are set out on pages 11-16.

Respective responsibilities of Trustees and Examiner

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act"). The Trustees are satisfied that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and have chosen instead to have an independent examination.

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charitable company's accounts as carried out under section 145 of the 2011 Act. In carrying out my examination I have followed the requirements of the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I can confirm that I am qualified to undertake the examination because I am a registered member of ICAEW which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The directors acknowledge their responsibilities for complying with the requirements of the *Companies Act 2006* with respect to accounting records and the preparation of accounts.

Signed on behalf of the Board of Trustees of the London Emergencies Trust and authorised for issue by:

.....

Gerald Oppenheim
Director and Chair of the Board

23rd September 2026

The accompanying notes on pages 13-16 form part of these financial statements

1. Accounting policies

i. Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Second Edition – effective 1 January 2019) - (Charities SORP (FRS 102)), and the Companies Act 2006. The charity is a public benefit entity as defined by FRS 102. The financial statements are prepared in UK pounds sterling, the charity's reporting currency and are rounded to the nearest pound.

ii. Preparation of accounts on a going concern basis

The Trustees consider that the company will have adequate reserves to continue in operational existence for the foreseeable future. LET is in receipt of a grant award from the City Bridge Foundation of £64,040 over the five years 2024-2029 towards the charity's operational costs, which is critical in reaching this conclusion. The trustees believe the going concern basis of accounting is appropriate for these annual financial statements.

iii. Critical accounting judgements and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of the charities accounting policies and the reported assets, liabilities, income and expenditure and the disclosures made in the financial statements. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

iv. Basic Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments, including trade and other debtors and creditors are initially recognised at transaction value and subsequently measured at their settlement value.

v. Income recognition

All income is recognised once the charity has entitlement to income, it is probable that income will be received and the amount of income receivable can be measured reliably.

vi. Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

vii. Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

viii. Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

ix. Funds

Unrestricted funds are donations and other income receivable or generated for the objects of the charity. Designated funds are unrestricted funds earmarked by the Trustees for particular purposes. Restricted funds are those funds which are to be used in accordance with specific instructions imposed by the donor or trust deed.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

FOR THE YEAR ENDED 31 DECEMBER 2025

2. Taxation

The London Emergencies Trust is a registered charity and is thus exempt from taxation of its income and gains falling within Section 505 of the Income and Corporation Taxes Act 1988 or Section 256 of the Taxable Chargeable Gains Act 1992 to the extent that they are applied to its charitable objectives. No tax charge has arisen in the year.

3. Company limited by Guarantee

LET is a company limited by guarantee, each of the seven members being liable for a maximum sum of £1 in the event of the company winding up.

4. Income

Historically, LET has received income for both its operational costs and for distribution in grants to those bereaved and hospitalised as a result of both the several terrorist attacks on London and the South-East since 2017 and from the Grenfell Tower fire. During 2025, no income was received for grants distribution (2024: nil).

	Unrestricted	Restricted	Total 2025	Total 2024
Operational costs	-	12,424	12,424	12,062
Donations in kind	-	2,250	2,250	2,200
Total	<u>-</u>	<u>14,674</u>	<u>14,674</u>	<u>14,262</u>

All income received is restricted and is for operational cost expenditure. No income has been received for grant distribution.

4a. Income received for operational costs

At the request of LET's principal funder, City Bridge Foundation, income is shown as restricted in that it is only to be used towards operational costs rather than for grant distribution. No cash income was received towards operational costs in 2025 (2024: nil).

4b. Donations in kind

During the year, LET received pro-bono support from two sources towards the operational costs of the charity. These have been valued as follows:

	2025	2024
	£	£
Admin/finance support	1,000	1,000
London Funders	1,250	1,250
Total	<u>2,250</u>	<u>2,250</u>

5. Expenditure – charitable activities

In 2025, all expenditure, £12,597 is restricted (2024, £12,376). During the year, LET expended resources only on the operational day-to-day running of the charity. During 2025, income was expended as follows:

	2025 £	2024 £
Operational Expenditure	10,347	10,176
Donations in kind	2,250	2,200
Total	<u>12,597</u>	<u>12,376</u>

Operational Expenditure

	Unrestricted £	Restricted £	Total 2025 £	Total 2024 £
Staff / admin costs	-	4,118	4,118	3,985
Press & PR	-	3,000	3,000	3,000
IT	-	650	650	636
Phone	-	194	194	180
Insurance	-	607	607	607
Bank charges	-	72	72	74
Independent examination	-	1,620	1,620	1,536
Miscellaneous fees	-	86	86	158
Total operational expenditure	<u>-</u>	<u>10,347</u>	<u>10,347</u>	<u>10,176</u>

6. Debtors

	Total 2025 £	Total 2024 £
City Bridge Foundation	<u>12,424</u>	<u>12,062</u>

7. Creditors

	2025 £	2024 £
Amounts due within one year:		
Independent Examination fee	1,620	1,536
Administration costs to London Funders	-	1,152
Press/PR	2,000	2,000
	<u>3,620</u>	<u>4,688</u>

LONDON EMERGENCIES TRUST

NOTES TO THE FINANCIAL STATEMENTS (Continued)

FOR THE YEAR ENDED 31 DECEMBER 2025

8. Net assets between funds

	2025	2024
	£	£
Unrestricted funds	-	-
Restricted funds	14,817	12,740
Total	14,817	12,740

At the funder's request, income and assets are shown as restricted funds.

9. Staff costs

No staff were employed either directly or indirectly on LET business during 2025. Administrative and casework support was provided by London Funders, which was re-imbursed by LET for its staff time. In 2025, this totalled £4,118 (2024: £3,985). These costs were all covered by income raised from trusts and foundations specifically for operational costs. No funds donated by the public were used to cover any of this expenditure. In 2025, other staff input was received pro bono from volunteers at a value of £1,000 (2024: £1,000).

10. Related party transactions

Tim Wilson, a LET trustee, is a senior member of staff at the City Bridge Foundation, which provides grant aid to LET. He has no involvement in the management of this relationship and plays no part in discussions about future support. (2024: nil). There were no transactions with any other related parties during the financial year (2024: none) and there were no balances outstanding with any related parties at the Balance Sheet date (2024 : none).

11. Trustees' remuneration and expenses

No Trustee received any remuneration or claimed any expenses for their services on the board of LET (2024: nil).
